LANGUAGE STUDY

International students whose first language is not English must have a TOEFL score of 510 (paper based), 183 (computer based), or 65 (Internet based) or higher to be considered for admission.

All other students must demonstrate knowledge of the grammar of one non-English language equivalent to two semesters at the college level with a grade of C or higher in each.

Foreign language proficiency in any language other than English can be demonstrated in one of four ways: (1) Take two semesters of first-year undergraduate language study in one language at IU. (2) Take one semester of accelerated undergraduate language study in one language at IU. (3) Take the Music First Year Language Exam (MFYLE) at IU to demonstrate that you have the equivalent knowledge of a student who has taken at least one year of the foreign language at the college level. (4) Bring the Music Graduate office an official university transcript that shows that you have taken either two semesters or one accelerated semester of the foreign language grammar course(s) with appropriate grades (C or higher). The transcript needs to include the title of the course, the number of credits taken, and the grade of C or higher. Courses taken for Pass/Fail grades, courses taken as an auditor, or transcripts that do not include the title of the course will not be accepted. Courses taken more than 10 years ago cannot be used. Students requesting to have a language waived based on transcripts must make an appointment to see the Graduate Academic Advisor before or during their first semester.

MUSIC COURSES A total of 6 credit hours in addition to lessons, ensemble, and the chamber music courses. The minimum required grade in each course is C. The Director of Graduate Studies, who will use the following guidelines, must approve courses selected:

Students must enroll in MUS-U 550 Music Career Development for 2 credits and MUS-U 590 Topics In Graduate Music Study (Music Career Development) for 1 credit for half of the music course requirement.

In general, the remaining 3 credits of classes chosen for the Music Course requirement should be lecture or lecture/activity courses. Applied lessons, chamber music, or ensembles will not count, with one exception: up to 2 credits in historical performance lessons (such as Baroque violin), or lessons in an instrument that is not the student's major (such as viola for a violin major) can count. Ballet and jazz dance are considered "lessons" for this requirement and therefore can only count for 2 credits if no other lessons are taken. Composition lessons are not considered "lessons" for this requirement and can be taken for more than 2 credits. A maximum of 2 credits of MUS-F 540 Postural Alignment for Musicians can count for the music course requirement. Courses taken to fulfill a language requirement will not count.

Students must take courses suited to their level. For example, students who have completed a bachelor's degree, or equivalent work for a conservatory diploma, should register for music graduate courses. Enrollment in graduate review courses in music history and literature or music theory will count for students who have not previously enrolled in the Master of Music or Doctor of Music program at IU. Prerequisites for courses must be met before enrollment is allowed.

Transfer courses may not be used to satisfy any part of this requirement.

Courses taken before the date of first enrollment in the Diploma Program may not satisfy this requirement.

Music Courses must be offered by the Jacobs School of Music, not outside departments.

RECITAL (MUS-I 613 Performer Diploma Chamber Music Recital, 0 cr.)

To be approved by a faculty committee according to hearing procedures for Master of Music recitals. The recital must be passed with a minimum grade of A-. The student's teacher must be present in person at the recital performance.

GRADUATION Students must complete a Program Completion Application prior to, or at the beginning of, the intended last semester.
