Students must take the exams at the beginning of their first semester of enrollment; they may take them for a second time in their second semester. They may not take them again, nor may they take them after their second semester of enrollment. (Note that this includes summer sessions in which students are enrolled. **Keyboard Proficiency Examination**

All music graduate students must pass a keyboard proficiency examination. This exam is designed to ensure the student's ability to use the keyboard as a tool within the framework of professional activities, and the requirements vary according to level and area of music study. This exam may be repeated as many times as necessary to show proficiency. The exam is offered at the end of each term. Students may enroll in secondary piano lessons as preparation for the exam.

**Styles Examination**

All Doctoral students must take the Styles exam in their first spring semester of enrollment. Students who pass the exam meet the requirement. Students who do not pass the exam may retake the exam once with permission of the director of graduate studies, if their score is within a range recommended by the Doctoral Styles Committee. Students who do not pass the exam must earn a grade of B or higher in T545 Introductory Analysis of Music Literature. This course may fall anywhere in the student's curriculum.
