**Music History & Literature and Music Theory Entrance Proficiencies**

All new students are required to show proficiency in Music History & Literature and Music Theory. The proficiencies may be satisfied in any of the following ways:

Students may take and pass the graduate entrance exams. Students must take the exams at the beginning of their first semester of enrollment; they may take them for a second time in their second semester. They may not take them again, nor may they take them after their second semester of enrollment. (Note that this includes summer sessions in which students are enrolled. Exams are ordinarily given in the week before classes begin each semester.)

Students may enroll in and pass the graduate review courses listed below:

- M541 Music History Review for Graduate Students I—3 cr**
- M542 Music History Review for Graduate Students II—3 cr**
- T508 Written Theory Review for Graduate Students—3 cr**
- T509 Sight Singing Review for Graduate Students—3 cr**
- T511 Aural Theory Review for Graduate Students—3 cr**

Students should begin enrolling in review courses from which they are not exempted by examination as soon as possible; otherwise completion of the degree may be delayed as T508 and M541-M542 serve as prerequisites to the master's core requirements. *The review courses are not offered every semester.*

**Keyboard Proficiency Examination**

All music graduate students must pass a keyboard proficiency examination. This exam is designed to ensure the student's ability to use the keyboard as a tool within the framework of professional activities, and the requirements vary according to level and area of music study. This exam may be repeated as many times as necessary to show proficiency. Early music majors may take the exam on harpsichord. For details, see the Chairperson of the Early Music Department.

**Original Notation Proficiency**

The student must show proficiency in reading music in original notation from the student's period of specialization, as demonstrated by a departmental examination.
