<b>Music History &amp; Literature and Music Theory Entrance Proficiencies</b>	<b>Major Field Requirements (18 Credits)</b>
---	--

All new students are required to show proficiency in Music History & Literature and Music Theory. The proficiencies may be satisfied in any of the following ways:

Students may take and pass the graduate entrance exams. Students must take the exams at the beginning of their first semester of enrollment; they may take them for a second time in their second semester. They may not take them again, nor may they take them after their second semester of enrollment. (Note that this includes summer sessions in which students are enrolled. Exams are ordinarily given in the week before classes begin each semester.)

Students who completed their undergraduate degree at IU in the current calendar year or three preceding calendar years can be exempt from the graduate entrance exams with minimum grades in specific courses. See the *JSoM Bulletin* for details.

Students may enroll in and pass the graduate review courses listed below:

- M541 Music History Review for Graduate Students I—3 cr**
- M542 Music History Review for Graduate Students II—3 cr**
- T508 Written Theory Review for Graduate Students—3 cr**
- T509 Sight Singing Review for Graduate Students—3 cr**
- T511 Aural Theory Review for Graduate Students—3 cr**

Students should begin enrolling in review courses from which they are not exempted by examination as soon as possible; otherwise completion of the degree may be delayed as T508 and M541-M542 serve as prerequisites to the master's music history and literature requirement. *The review courses are not offered every semester.*

**Keyboard Proficiency Examination**

All music graduate students must pass a keyboard proficiency examination. This exam is designed to ensure the student's ability to use the keyboard as a tool within the framework of professional activities, and the requirements vary according to level and area of music study. This exam may be repeated as many times as necessary to show proficiency. The exam is offered at the end of each term. Students may enroll in secondary piano lessons as preparation for the exam.

**Performance Proficiency**

Must demonstrate a minimum level of music performance ability equivalent to the end of the second year for elective undergraduate students in that area. Students should consult the appropriate performance department chair for detailed information on the required level. Proficiency may be demonstrated in any of three ways: 1) in person before a faculty auditioning committee, one voting member of which shall at the student's request be a faculty member in the student's major area; 2) by completion of performance study as a graduate outside area or minor; or 3) by two semesters of performance study as a graduate elective. The grade in each semester of performance study must be B or higher. *Option no. 1 (auditioning before a faculty committee) may be used only during the first two semesters of enrollment.*
