School of Library & Information Science Proficiencies and Requirements	M.M. in Music Theory Requirements (33 Credits)
--	--

The student should refer all questions regarding proficiencies and requirements for the M.L.S. degree to the School of Informatics and Computing. The Jacobs School of Music is not responsible for any portion of the MLS degree.

Music History & Literature and Music Theory Entrance Proficiencies

All new students are required to show proficiency in Music History & Literature and Music Theory. The proficiencies may be satisfied in any of the following ways:

Students may take and pass the graduate entrance exams. Students must take the exams at the beginning of their first semester of enrollment; they may take them for a second time in their second semester. They may not take them again, nor may they take them after their second semester of enrollment. (Note that this includes summer sessions in which students are enrolled. Exams are ordinarily given in the week before classes begin each semester.)

Students who completed their undergraduate degree at IU in the current calendar year or three preceding calendar years can be exempt from the graduate entrance exams with minimum grades in specific courses. See the *JSoM Bulletin* for details.

- Students may enroll in and pass the graduate review courses listed below:
- M501 Proseminar in Music History (3 cr)**
 - T508 Written Theory Review for Graduate Students (3 cr)**
 - T509 Sight Singing Review for Graduate Students (1 cr)**
 - T511 Aural Theory Review for Graduate Students (1 cr)**

Students should begin enrolling in review courses from which they are not exempted by examination as soon as possible; otherwise completion of the degree may be delayed as T508 and M501 serve as prerequisites to the master’s music history and literature requirement. *The review courses are not offered every semester.*

This degree requires a High Pass in T508 and T511.

Keyboard Proficiency Examination

All music graduate students must pass a keyboard proficiency examination. This exam is designed to ensure the student’s ability to use the keyboard as a tool within the framework of professional activities, and the requirements vary according to level and area of music study. This exam may be repeated as many times as necessary to show proficiency. The exam is offered at the end of each term. Students may enroll in secondary piano lessons as preparation for the exam.

Performance Proficiency

Must demonstrate a minimum level of music performance ability equivalent to the end of the second year for elective undergraduate students in that area. Students who have completed a minimum of four semesters of private lessons at the college level will be considered to have met this requirement. Contact the Music Graduate Office to see if this policy applies to you. For other students, proficiency may be demonstrated in any of three ways: 1) in person before a faculty auditioning committee, one voting member of which shall at the student's request be a faculty member in the student’s major area; 2) by completion of performance study as a graduate outside area or minor; or 3) by two semesters of performance study as a graduate elective. The grade in each semester of performance study must be B or higher. *Option no. 1 (auditioning before a faculty committee) may be used only during the first two semesters of enrollment.* Students should consult the appropriate performance department chair for detailed information on the required level.

Major Ensemble
Enrollment in a major ensemble (X??) is required every semester until four fall-spring enrollments in ensemble are reached or the student graduates.

Comprehensive Review
Prior to graduation, all master's degree students must pass an oral or written examination. It is the responsibility of the student to consult with the major field department to ascertain the procedures established within that department. This consultation should be accomplished within the first year of residency.

Other Required Credits 6 credits
6 credit hours of library science, which count towards both degrees.

Tool Subject 3 credits
M539 Introduction to Music Bibliography (3 cr)

A grade of B or higher is required in M539, or evidence of proficiency demonstrated by examination. This course counts towards both degrees.

Courses in italics can count towards both degrees.

¹A student may demonstrate proficiency in any one of these areas without substituting another graduate-level music theory course.

²Course topics may not be repeated.

M.L.S. Requirements (30 Credits)

See the current *School of Informatics and Computing Bulletin* for course requirements.

Student’s Responsibility: Students have a threefold responsibility: 1) to know and satisfy the graduation requirements stated in the *Jacobs School of Music Bulletin*; 2) to know their academic standing based on the academic standards stated in the *JSoM Bulletin*; and 3) to know and observe all regulations and academic calendar deadlines as stated in the *Schedule of Classes*, the *JSoM Bulletin*, and the student handbooks. Faculty and staff advisors assist students in planning a program of study to meet degree requirements, but students are responsible for meeting all requirements for their respective degrees and all announced deadlines.
