Music History & Literature and Music Theory Entrance Proficiencies All new students are required to show proficiency in Music History & Literature and Music Theory. The proficiencies may be satisfied in any of the following ways: Students may take and pass the graduate entrance exams. Students must take the exams at the beginning of their first semester of enrollment; they may take them for a second time in their second semester. They may not take them again, nor may they take them after their second semester of enrollment. (Note that this includes summer sessions in which students are enrolled. Exams are ordinarily given in the week before classes begin each semester.) Students who completed their undergraduate degree at IU in the current calendar year or three preceding calendar years can be exempt from the graduate entrance exams with minimum grades in specific courses. See the <i>JSoM Bulletin</i> for details. Students may enroll in and pass the graduate review courses listed below: M501 Proseminar in Music History (3 cr) T508 Written Theory Review for Graduate Students (3 cr) T509 Sight Singing Review for Graduate Students (1 cr) T511 Aural Theory Review for Graduate Students (1 cr) Students should begin enrolling in review courses from which they are not exempted by examination as soon as possible; otherwise completion of the degree may be delayed as T508 and M501 serve as prerequisites to the master’s music history and literature requirement. <i>The review courses are not offered every semester.</i>	Major Field Requirements (31 Credits) Music Education 15 credits E518 Foundations of Music Education (3 cr) E502 The Practice of Music Teaching (3 cr); concurrent with EDUC-M 301 Laboratory/Field Experience (0 cr) ¹ E524 Exploratory Teaching in General Music K-12 (3 cr); concurrent with EDUC-M 301 Laboratory/Field Experience (0 cr) ¹ Select one course from the following: E527 Advanced Instrumental Methods (3 cr) E528 Adv. Keyboard Proficiency Examination All music graduate students must pass a keyboard proficiency examination. This exam is designed to ensure the student’s ability to use the keyboard as a tool within the framework of professional activities, and the requirements vary according to level and area of music study. This exam may be repeated as many times as necessary to show proficiency. The exam is offered at the end of each term. Students may enroll in secondary piano lessons as preparation for the exam.	Major Ensemble Enrollment in a major ensemble (X??) is required every semester until four fall-spring enrollments in ensemble are reached or the student graduates. At least one semester of marching band is required for all wind or percussion players who have not had previous undergraduate college marching band experience. At least one semester of Singing Hoosiers is required for students with emphasis in general music teaching and choral teaching.
Performance Proficiency Must demonstrate a minimum level of music performance ability equivalent to the end of the second year for elective undergraduate students in that area. Students who have completed a minimum of four semesters of private lessons at the college level will be considered to have met this requirement. Contact the Music Graduate Office to see if this policy applies to you. For other students, proficiency may be demonstrated in any of three ways: 1) in person before a faculty auditioning committee, one voting member of which shall at the student’s request be a faculty member in the student’s major area; 2) by completion of performance study as a graduate outside area or minor; or 3) by two semesters of performance study as a graduate elective. The grade in each semester of performance study must be B or higher. <i>Option no. 1 (auditioning before a faculty committee) may be used only during the first two semesters of enrollment.</i> Students should consult the appropriate performance department chair for detailed information on the required level.
